9. Chief Purpose of the Organization: Summit Speech School's mission is to empower children with hearing loss to become effective communicators using Listening and Spoken Language. With support

from our professionals there are no limits to our children reaching their fullest potential in their homes, schools, and communities and becoming lifelong learners. The School maintains a clear vision which is to lead, educate and nurture New Jersey's children, families, and professionals by providing best practices in oral deaf education through innovative communication strategies, state-of-the-art technology and research-based practices. For the past 57 years, Summit Speech School has given children with hearing loss the speaking, listening, language, and academic skills equal to that of their hearing peers in a mainstream educational environment and allowed them to reach their maximum potential.

10. Brief History of the Organization: Summit Speech School (SSS) was founded in 1967 in Summit, NJ shortly after the maternal rubella epidemic caused an unprecedented number of babies to be born with hearing loss from 1962-1965. SSS started by offering a preschool program on Overlook Hospital grounds to young children with hearing loss. In 1982, the Parent Infant Program began providing early intervention services to children birth – three years old. In 1997, the Itinerant Mainstream Support Program was created in response to the need to provide Listening and Spoken Language support to deaf and hard of hearing children in mainstream schools. The on-site educational Audiology Center opened its doors in 2006. Today, the SSS serves over 350 children annually and remains steadfast to its founding principle; providing the highest quality Listening and Spoken Language therapies and instruction.

11. Brief Description of the Organization's Programs in the Most Recent Year:

Please include descriptive materials, publications, etc. as Exhibit 3.

Summit Speech School offers four educational programs that operate year-round: Parent Infant Program; Preschool; Itinerant Mainstream Support Program; and Audiology. The Parent Infant Program provides home-based Early Intervention Services for babies and toddlers birth to three years of age. This foundational program begins each child's individual journey with Listening and Spoken Language. We also offer weekly toddler group class, Sound Beginnings and parent support groups. The Preschool Program provides a full-day curriculum that incorporates intensive Listening and Spoken Language training by a Teacher of the Deaf and Speech Language Pathologists and a typical early childhood curriculum. The goal is to prepare the children for mainstream kindergarten where they will learn alongside their hearing peers. The Itinerant Mainstream Support Program for grades pre-K to 12 provides specialized support to mainstreamed children with hearing loss, families, and mainstream school staff so that students will have the resources necessary for their success. In addition, the School offers an on-site Pediatric Audiology Center for Summit Speech School students and other children in the community.

Assisting and advising parents and families are priorities for Summit Speech School. Parent support services include the Parent Infant Program's weekly support group both in-person and on Zoom. These forums provide a space in which parents/caregivers can share information and learn from one another under the guidance of a professional in the field of Listening and Spoken Language. In addition, the School's Parent to Parent Series provides educational sessions to all enrolled families, as well as the community at large, providing a facilitated learning environment for topics of interest to parents/caregivers of children who are deaf or hard of hearing.

This year, SSS launched a program with the John Tracy Center, a leading partner in the field of LSL education, offering parent classes in Spanish. The bilingual professionals from John Tracy Center used

Zoom to meet with our families who gathered at SSS or joined via Zoom from their homes. For the first time, Spanish speaking families learned best practices from Summit Speech School's professionals and those at the John Tracy Center, without the need of the School's interpreter and they were also able to share and create a new community of support. Additionally in 2023, the School held its signature in-person conference, *The Listening Expo*. Parents, Teachers of the Deaf, Speech Language Pathologists, educators and administrators expanded their understanding of Listening and Spoken Language through presentations by leading manufacturers in hearing technology, the latest medical advancements and resources available through Early Intervention and other partnerships through the State.

13. Three Most Important Needs for Funding by the Palestroni Foundation and the amount you seek for each:

Please list in order of priority.

1. Parent Infant Program (birth – three years of age) Summit Speech School Teachers of the Deaf and Hard of Hearing (TODs/HH) mentor caregivers to employ language rich environments in everyday activities at age-appropriate levels. As an approved NJ Early Intervention Provider this program at SSS, it serves approximately 100 families each year impacted by child (birth – three years of age) with hearing loss. TODs/HH work together with enrolled infants and their parents and caregivers at the family home or daycare center. Additionally, parents/caregivers participate in group sessions with professional staff to supplement skills learned in their individual sessions. Once a child is 18 months, he/she may enroll in, Sound Beginnings, where parents meet separately from their children with members of our professional staff. These support groups provide a space in which parents/caregivers can share information and learn from one another. The Department of Health reimburses providers only for the time a TOD/HH works with the child in the home or daycare center setting. Therefore, our parent groups are minimally reimbursable. Furthermore, professional development, program expenses and travel are not funded by the State of New Jersey. In fiscal year 2023-2024 (July 1, 2023 – June 30, 2024) this will create a funding gap of \$397,383, approximately 62% of its total expense.

Amount: \$75,000

2. Itinerant Mainstream Support Program (Preschool – High School) Summit Speech School's Teachers of the Deaf/Hard of Hearing provide Listening and Spoken Language Services to children with hearing loss in their mainstream schools via the Itinerant Mainstream Support Program. As of January 4, 2024,

264 students in approximately 69 New Jersey school districts annually. As experts in the field, SSS staff members understand the neuroscience of hearing and the scaffolds required for a student to increase Listening and Spoken Language competencies. To optimize students' access to sound, our Teachers of the Deaf work with students and district staff to improve auditory attention, memory discrimination, auditory recognition, sequencing and comprehension, and auditory retrieval and expressive communication. Continued attention to Listening and Spoken Language skills in mainstream classroom settings helps to ensure the students' hearing technology and Listening and Spoken Language skills are optimized for academic success. Contracted school districts pay fees to SSS to provide TOD/Hard of Hearing for students; reimbursing only for the actual time spent with a student. Travel, professional development, and program expenses are not reimbursable. In fiscal year 2023-2024 (July 1, 2023 –June 30, 2024) this will create a funding gap of \$141,645, approximately 12% of its total expense.

Amount: \$75,000

3. Summit Speech School Endowment In addition to carefully monitoring the Annual Operating Budget, the School's Board of Trustees and administration have prioritized planning for the long-term sustainability of the School by ensuring the very best in programs, teachers, therapists, services, outreach, and resources. A robust endowment supplements revenue streams and reduces pressure and, indeed, fluctuations in annual fundraising. To ensure the continued exceptional quality of SSS programs for students and families, a strong endowment is necessary. The School is currently in the final stages of a campaign for the endowment which today has raised more than \$2.1M. The endowment is now \$7.2M.

Amount: \$75,000

Dear Ms. Sayrefe,

On behalf of the Board of Trustees and staff of Summit Speech School, I am grateful for the opportunity to present the enclosed grant request to The Alfiero and Lucia Palestro Foundation.

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Summit Speech School, a School for Students with Disabilities (a New Jersey Nonprofit Corporation) (the "School"), which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Summit Speech School, a School for Students with Disabilities, as of June 30, 2023, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the School and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

To the Board of Trustees of
Summit Speech School

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the School's ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the School's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedules of expenditures of federal and state awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and the New Jersey State Circular 15-08-OMB, *Single Audit Policy for Recipients of Federal Grants, State Grants, and State Aid*, are presented for purposes of additional analysis and are not a required part of the financial statements.

To the Board of Trustees of
Summit Speech School

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated October 31, 2023, on our consideration of the School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control over financial reporting and compliance.

Notes to Financial Statements
June 30, 2023

1. Nature of Activities

Summit Speech School (a New Jersey Nonprofit Corporation) (the "School") is a New Jersey State Department of Education approved private school for students with disabilities serving the hearing impaired. The School provides an Early Intervention Program of 48 weeks per year, a Preschool Program of 180 days and an extended school year of 30 days, and an Itinerant Mainstream Support Program for main-streamed children, grades Pre-K through 12. The School also provides audiology services 52 weeks per year.

2. Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America. A summary of the significant accounting policies followed by the School in the preparation of the accompanying financial statements is set forth below:

The School prepares its financial statements in accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC"), *Accounting for Contributions Received and Made, and FASB ASC, Presentation of Financial Statements of Not-for-Profit Entities*. *Presentation of Financial Statements of Not-for-Profit Entities* establishes standards for external financial reporting by not-for-profit organizations and requires that resources be classified for accounting and reporting purposes into two net asset categories: net assets with donor restrictions and net assets without donor restrictions. Contributions that are restricted by the donor are reported as increases in net assets without donor restriction if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions. In addition, the standard requires the presentation of qualitative information on how the School manages its liquid available resources and liquidity risks. Quantitative information that communicates the availability of a nonprofit's financial assets at the statement of financial position date to meet cash needs for general expenditures within one year is required to be presented on the face of the financial statement and/or in the notes to the financial statements.

Accounting for Contributions Received and Made requires that unconditional promises to give be recorded as receivables and revenue and requires the organization to distinguish between contributions received for each net asset category in accordance with donor-imposed restrictions.

Summit Speech School
Notes to Financial Statements
June 30, 2023

Accordingly, net assets of the School and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions are resources representing the portion of expendable funds available for support of the School's programs and general operations. These resources are not subject to donor-imposed restrictions. Net assets without donor restrictions also include those expendable resources which may have been designated for special use by the Board of Trustees.

Net Assets With Donor Restrictions are net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the School or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. The School had net assets with donor restrictions of \$7,310,442 as of June 30, 2023.

Support and Revenue Recognition

Revenue is measured based on consideration specified in a contract with a customer. This occurs with the transfer of control of the sale at a specific point in time. The School recognizes tuition, community service revenue, government contract revenue, other program revenue, and other revenue when the services are provided. The School records special event revenue equal to the fair value of direct benefits to donors and for the excess over event cost received when the event takes place. There are no multi-year contracts and performance obligations are typically satisfied within one year or less.

The School recognizes contributions and pledges when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met. Federal and state contracts and grants are conditioned upon certain performance requirements.

The majority of the School's revenue is derived from cost-reimbursable contracts, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the School has incurred expenditures in compliance with specific contract or grant provisions.

Special Events

The School records special events revenue equal to the fair value of direct benefits to donors, and contribution income for the excess received when the event takes place. Amounts received prior to the event taking place are recorded as deferred revenue in the accompanying statement of financial position. As of June 30, 2023, the School had deferred revenue in the amount of \$61,948.

Summit Speech School
Notes to Financial Statements
June 30, 2023

Disaggregation of Revenue

In the following table, revenue is disaggregated by timing of satisfaction of performance obligations for the year ended June 30, 2023:

Performance obligations satisfied at a point in time	<u>\$ 3,384,039</u>
---	---------------------

Revenue from performance obligations satisfied at a point in time is comprised of tuition – public school placement, tuition – extraordinary services, contract and itinerant fees, early intervention program, and other revenue related to the School's fundraising efforts.

Cash and Cash Equivalents

The School considers all highly liquid investing instruments purchased with an original maturity of three months or less to be cash equivalents.

Accounts and Pledges Receivable and Allowances for Uncollectible Accounts

Accounts and pledges receivable are stated at the amounts management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a charge to expense and a credit to a valuation allowance based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to receivables. Management has determined that an allowance for uncollectible accounts in the without donor restrictions fund is not necessary at June 30, 2023.

Property, Plant, and Equipment

Property, plant, and equipment is recorded at cost when purchased, or at fair value at date of gift, when donated. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support.

Absent donor stipulations regarding how long those donated assets must be maintained, the School reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The School reclassifies restricted net assets to net assets without donor restrictions at that time. Depreciation is provided on a straight-line basis over the estimated useful lives.

Summit Speech School
Notes to Financial Statements
June 30, 2023

When assets are retired or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts, and any resulting gain or loss, if any, is reflected in operations for the period. The cost of maintenance and repairs is charged to operations as incurred, whereas significant renewals and betterments are capitalized.

The School periodically evaluates whether current events or circumstances warrant adjustments to the carrying value or estimated useful lives of property, plant, and equipment in accordance with the provisions of FASB ASC, *Accounting for the Impairment or Disposal of Long-Lived Assets*. No impairment losses are recorded for the year ended June 30, 2023.

Investments

The School follows the provisions of FASB ASC, *Accounting for Certain Investments Held by Not-for-Profit Organizations*. In accordance with this accounting standard, investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair value in the statement of financial position. Unrealized gains and losses are included in the change in net assets. Investment income or loss (including interest, dividends and realized gains and losses on sale of investments) are included in the statement of activities as increases or decreases of net assets without donor restrictions unless the income or loss is restricted by the donor or law. Investment income and gains restricted by a donor are reported as increases in net assets without donor restrictions if the restrictions are met (either by the passage of time or by use) in the reporting period in which the income and gains are recognized. Fair market value, at acquisition or contribution, as well as at subsequent dates, is determined based on quoted market prices as provided by the investment advisors. Management evaluates securities for other-than-temporary impairment at least on a quarterly basis, and more frequently when economic or market concerns warrant such evaluation.

Consideration is given to (1) the length of time and the extent to which the fair value has been less than cost, (2) the financial condition and near-term prospects of the issuer, and (3) the intent and ability of the School to retain its investment in the issuer for a period of time sufficient to allow for any anticipated recovery in fair value.

Tax-exempt Status

The School is recognized as a charitable, nonprofit organization exempt from federal income taxation under Section 501(c)(3) of the Internal Revenue Code. The School is an exempt entity under Title 15 of the State of New Jersey, *Corporations and Associations Not-for-Profit Act*.

Accordingly, no provision for federal or state income tax has been presented in the accompanying financial statements. Management has stated that all tax returns have been filed and applicable taxes paid in a timely manner.

Summit Speech School
Notes to Financial Statements
June 30, 2023

The School follows the provisions of FASB ASC, *Income Taxes*. The standard prescribes a minimum recognition threshold and measurement methodology that a tax position taken or expected to be taken in a tax return is required to meet before being recognized in the financial statements. It also provides guidance for derecognition, classification, interest and penalties, accounting in interim periods, disclosure, and transition as they relate to those tax positions.

The School does not expect a significant increase or decrease to the total amounts of unrecognized tax positions during the fiscal year ended June 30, 2023. However, the School is subject to regular audit by tax authorities, including a review of its nonprofit status, which the School believes would be upheld upon examination. The School believes that it has appropriate support for the positions taken on its tax returns. Nonetheless, the amounts ultimately paid, if any, upon resolution of the issues raised by the taxing authorities may differ materially from the amounts accrued for each year.

As required by law, the School files an informational return with the United States federal government on an annual basis - Form 990 with the Internal Revenue Service. This return is subject to examination by this authority within three years of the latest filing.

Fair Value of Financial Instruments

In accordance with FASB ASC, *Fair Value Measurements and Disclosures*, fair value is defined as a market-based measurement, not an entity-specific measurement. The objective of a fair value measurement is to estimate the price at which an orderly transaction to sell the asset or to transfer the liability would take place between market participants at the measurement date under current market conditions (that is, an exit price at the measurement date from the perspective of a market participant that holds the asset or owes the liability). A fair value measurement assumes that the transaction to sell the asset or transfer the liability either occurs in the principal market (or in its absence, the most advantageous market) for the asset or liability.

The *Fair Value Measurements Topic* of the FASB ASC establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. Fair value focuses on the price that would be received to sell the asset or paid to transfer the liability regardless of whether an observable market price existed (an exit price).

An exit price valuation will include margins for risk even if they are not observable. As the School is released from risk, the margins for risk will also be released through net realized capital gains (losses) in net income. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the School has the ability to access.

Summit Speech School
Notes to Financial Statements
June 30, 2023

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement. Level 3 assets and liabilities measured at fair value are based on one or more of three valuation techniques:

- Market approach - Prices and other relevant information generated by market transactions involving identical or comparable assets or liabilities;
- Cost approach - Amount that would be required to replace the service capacity of an asset (i.e., replacement cost);
- Income approach - Techniques that convert future amounts to a single present amount based on market expectations (including present value techniques, option-pricing models, and lattice models).

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. For some assets and liabilities, observable market transactions or market information may be available. For other assets and liabilities, observable market transactions and market information might not be available. When a price for an identical asset or liability is not observable, a reporting entity measures fair value using another valuation technique that maximizes the use of relevant observable inputs and minimizes the use of unobservable inputs. Because fair value is a market-based measurement, it is measured using the assumptions that market participants would use when pricing the asset or liability, including assumptions about risk. As a result, a reporting entity's intention to hold an asset or settle or otherwise fulfill a liability is not relevant when measuring fair value.

The following is a description of valuation methodologies used for assets and liabilities measured at fair value. There have been no changes in the methodologies used at June 30, 2023.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the School are open-end mutual funds that are registered with the Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the School are deemed to be actively traded.

Summit Speech School
Notes to Financial Statements
June 30, 2023

Equity securities: Valued at the closing price reported on the active market in which the individual securities are traded.

Functional Allocation of Expenses

The costs of program and supporting services activities have been summarized on a functional basis in the statement of activities. The statement of functional expenses presents the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among program and supporting services benefited. The financial statements may report certain categories of expense that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied.

Expenses are charged to each program based on direct expenditures incurred. Any program expenditures not directly chargeable are allocated based on estimates made by management. Program expenses are those related to public school, private placement education and other program services.

Management and general expenses relate to administrative expenses associated to those programs and are allocated based on estimates of time and effort considered by management to be reasonable. Fundraising relates to direct costs incurred in order to raise contributions and awareness for the School and its mission as a whole.

Donated Services

The Board of Trustees make significant contributions of time relative to general management and operations of the School. The value of this contributed time is not reflected in the financial statements as it does not meet the requirements for recognition under U.S. generally accepted accounting principles.

In-Kind Donations

The School follows the provisions of FASB ASU 2020-07, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets* (Topic 958), which requires nonprofits to present contributed nonfinancial assets as a separate line in the statement of activities apart from contributions of cash or other financial assets.

In-kind donations are reflected as contributions at their fair value on the date of donation and are reported as without donor restrictions unless explicit donor stipulations specify how donated assets must be used. See Note 10 for more information on in-kind donations.

Summit Speech School
Notes to Financial Statements
June 30, 2023

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America, requires management to make estimates and assumptions that affect the amounts of assets and liabilities, revenue and expenses and changes therein, and disclosures of contingent assets and contingent liabilities and accompanying notes. It is reasonably possible that the School's estimates may change in the near term.

Advertising

The School expenses advertising costs as they are incurred. During the fiscal year ended June 30, 2023, the School did not incur any advertising expense.

Operating Environment

The School operates in a heavily regulated environment. The operations of the School are subject to the administrative directives, rules and regulations of federal, state, and local regulatory agencies including, but not limited to, the Division of Finance and Business Services, Department of Education, State of New Jersey. Such administrative directives, rules and regulations are subject to change by an act of Congress, or an administrative change mandated by the Division of Finance and Business Services , Department of Education, State of New Jersey.

Lease Commitments

In February 2016, the FASB ASC issued guidance 842, *Leases* to increase transparency and comparability among companies by requiring the recognition of right-of-use ("ROU") assets and lease liabilities on the balance sheet – statutory basis. The new standard requires lessors to account for leases using an approach that is substantially equivalent to existing guidance.

As a result of the adoption of the new lease accounting guidance, the School reviewed all of its leases and determined that they did not have a material impact on the financial statements.

Subsequent Events

Management has reviewed subsequent events and transactions that occurred after June 30, 2023, through the date of the independent auditors' report and the date the financial statements were available to be issued, October 31, 2023. The financial statements include all events or transactions, including estimates, required to be recognized in accordance with generally accepted accounting principles in the United States of America. Management has determined that there are no nonrecognized subsequent events that require additional disclosure.

Notes to Financial Statements

3. Liquidity and Availability

The provisions of FASB Update No. 2016-14 require the presentation of qualitative information on how the School manages its liquid available resources and liquidity risks. Quantitative information that communicates the availability of a nonprofit's financial assets at the statement of financial position date to meet cash needs for general expenditures within one year is required to be presented on the face of the financial statement and/or in the notes to the financial statements.

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the statement of financial position date, are comprised of the following:

Financial assets at year end:

Cash and cash equivalents	\$ 1,319,978
Accounts receivable	459,716
Pledges receivable	1,547,852
Investments	<u>6,054,676</u>
	9,382,222
Less: Net assets with donor restrictions	<u>(7,310,442)</u>
Financial assets available for general expenditure	<u>\$ 2,071,780</u>

The School receives tuition income from New Jersey public school sending districts and considers this funding restricted due to New Jersey State law regarding public school tuition funds.

The School's working capital and cash flows have predictable variations during the school year. Cash receipts and cash balances are lowest during July and August when school districts are generally paying tuition invoices for reduced school sessions.

During the months of September through December, the School's cash flow improves as a result of higher tuition revenues and fundraising events and campaigns. The trend of positive cash flow then continues through June, the end of the school year.

The School has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. The School has a goal to maintain financial assets on hand to meet approximately 3 months of normal operating expenses. In addition to these available financial assets, a significant portion of the School's annual expenditures will be funded by the current year operating revenues related to tuition.

7. Line of Credit

Investors Bank provided the School with a line of credit used for working capital financing. The total available line of credit was \$250,000, which renewed in December, 2021. 9. Accounts Payable – Tuition

The School has pending appeals with the Department of Education resulting from issues identified during the audit for the school year ending June 30, 1993. Inasmuch as the June 30, 1993, adjustments are related to the state audit for the year ended June 30, 1992, the School has not refunded the \$33,869 overcharges pending the outcome of the appeal related to the year ended June 30, 1992. The School's management has indicated that these refunds will be made available upon settlement of the Department of Education appeal. The remaining accounts payable – tuition balance of \$1,578 relates to additional billing for the year ended June 30, 2023.

10. In-Kind Donations

The School received contributed goods and services for the year ended June 30, 2023:

Total	<u>\$ 375,000</u>	<u>\$ 72,408</u>	<u>\$ 447,408</u>	

The School's policy related to gifts-in-kind is to utilize the assets given to carry out the mission of the School.

Summit Speech School
Notes to Financial Statements
June 30, 2023

All gifts-in-kind received by the School for the year ended June 30, 2023, were considered without donor restrictions and able to be used by the School as determined by the board of trustees and management.

The Borough of New Providence has donated the use of the school site which was recorded at a fair market value of \$375,000 for twelve months. This is recorded as an in-kind donation and other program expenses. Various individuals donated \$72,408 of items and services which were provided to attendees at the spring benefit and golf outing.

11. Concentration of Credit Risk

The School maintains its cash and cash equivalents in bank deposit accounts, which, at times, may exceed federally insured limits. The School has not experienced any losses in such accounts. Management believes it is not exposed to any significant credit risk related to cash and cash equivalents.

Credit risk as it relates to accounts receivable - tuition has been determined by management to be minimal since it is spread out among numerous public school sending districts and amounts are contractually provided for.

As of June 30, 2023, one district represented 12% of accounts receivable – tuition.

12. Retirement Plan

The School established a non-contributory defined contribution retirement plan (the Plan) effective July 1, 1991. The Plan was amended on June 1, 2018. For tax purposes, the Plan is considered a qualified plan. An employee becomes eligible for the Plan after completing a year of service of at least 1,250 hours and attaining the age of 21. The School's contribution to the Plan is determined annually by the Board of Trustees based on a fixed percentage of the compensation of all eligible participants.

The School's pension plan is in conformance with the Employee Retirement Income Security Act of 1974 and its successor legislation.

There was an employer discretionary contribution of \$49,672 for all programs covered in this report for the year ended June 30, 2023.

13. Donor Designated Endowments (UPMIFA State)

The School's endowment consists of investments established for a variety of purposes. Its endowment is made up of funds with donor restrictions. As required by GAAP, net assets associated with the endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions. The Board of Trustees of the School has interpreted the State Prudent Management of Institutional Funds Act (SPMIFA) as requiring the preservation of the fair value of the donor-restricted endowment funds.

Summit Speech School
Notes to Financial Statements
June 30, 2023

Management of the School has interpreted the State Prudent Management of Institutional Funds Act (SPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the School classifies as net assets with donor restrictions perpetual in nature (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in net assets with donor restrictions perpetual in nature is classified as net assets with donor restrictions for time or purpose until those amounts are appropriated for expenditure by the School in a manner consistent with the standard of prudence prescribed by SPMIFA.

In accordance with SPMIFA, the School considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the School, and (7) the School's investment policies.

Investment Return Objectives, Risk Parameters and Strategies

The School has adopted investment and spending policies, approved by management of the School, for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment funds while also maintaining the purchasing power of those endowment assets over the long-term. Accordingly, the investment process seeks to achieve an after-cost total real rate of return, including investment income as well as capital appreciation, which exceeds the annual distribution with acceptable levels of risk.

Endowment assets are invested in a well-diversified asset mix, which includes equity and debt securities, that is intended to result in a consistent inflation-protected rate of return that has sufficient liquidity while growing the funds if possible. Therefore, the School expects its endowment assets, over time, to produce an average rate of return of approximately 2% annually. Actual returns in any given year may vary from this amount. Investment risk is measured in terms of the total endowment fund; investment assets and allocation between asset classes and strategies are managed to not expose the fund to unacceptable levels of risk.

Spending Policy:

The School has a policy of appropriating for distribution of its endowment fund's each years. In establishing this policy, the School considered the long-term expected return on its investment assets, the nature and duration of the individual endowment funds, many of which must be maintained in perpetuity because of donor-restrictions, and the possible effects of inflation. This is consistent with the School's objective to maintain the purchasing power of the endowment assets as well as to provide additional real growth through new gifts and investment return.

Notes to Schedules of Expenditures of Federal and State Awards

June 30, 2023

1. Basis of Presentation

The accompanying schedules of expenditures of federal and state awards present the activity of all financial assistance programs of the School. The information in these schedules is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and the New Jersey State Circular 15-08-OMB, *Single Audit Policy for Recipients of Federal Grants, State Grants and State Aid*. Therefore, some amounts presented in these schedules may differ from amounts presented in, or used in the preparation of the basic financial statements. All federal and state awards received directly from federal and state agencies, as well as federal and state awards passed through other government agencies are included in the schedules of expenditures of federal and state awards. Because the schedules present only a selected portion of the operations of the School, they are not intended to and do not present the financial position, changes in net assets, or cash flows of the School.

2. Summary of Significant Accounting Principles

The accompanying schedules of expenditures of federal and state awards are presented using the accrual basis of accounting which is described in Note 2 to the financial statements. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Pass-through entity identifying numbers are presented where available.

3. Indirect Cost Rate

The School's payroll tax returns were properly filed during the fiscal year ended June 30, 2023.

4. Sub-recipients

No federal or state awards were provided to sub-recipients.

5. Relationship to Federal and State Financial Reports

The regulations and guidelines governing the preparation of federal and state financial reports vary by federal and state agency and among programs administered by the same agencies. Accordingly, the amounts reported in the federal and state financial reports do not necessarily agree with the amounts reported in the accompanying schedules of expenditures of federal and state awards, which are prepared on the accrual basis explained in Note 2.

6. Single Audit – Type A/Type B Program Threshold

Dollar threshold used to distinguish between Type A and Type B programs is \$750,000. Single audit expenditure threshold requirement is \$750,000.

Independent Auditors' Report on Internal Control over Financial Reporting and on
Compliance and Other Matters Based on an Audit of Financial
Statements Performed in Accordance with Government Auditing Standards

To the Board of Trustees of
Summit Speech School
New Providence, New Jersey

We have audited, in accordance with auditing standards generally accepted in the United States of America, and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Summit Speech School, a School for Students with Disabilities, (a New Jersey Nonprofit Corporation) (the "School") which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 31, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the School's internal control over financial reporting (internal control) as a basis for designing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

To the Board of Trustees of
Summit Speech School

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditors' Report on Compliance for Each Major State Program and
Report on Internal Control Over Compliance in Accordance with the Uniform Guidance
and New Jersey State Circular 15-08-OMB

To the Board of Trustees of
Summit Speech School
New Providence, New Jersey

Report on Compliance for Each Major State Program

Opinion on Each Major Federal and State Program

We have audited Summit Speech School's, a School for Students with Disabilities, (a New Jersey Nonprofit Corporation) (the "School") compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* and New Jersey, *State Grant Compliance Supplement* that could have a direct and material effect on each of the School's major state programs for the year ended June 30, 2023. The School's major state programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion the School complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major state programs for the year ended June 30, 2023.

Basis for Opinion on Each Major State Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (*Uniform Guidance*) and the New Jersey State Circular 15-08-OMB, *Single Audit Policy for Recipients of Federal Grants, State Grants and State Aid*. Our responsibilities under those standards, the *Uniform Guidance*, and the New Jersey State Circular 15-08-OMB are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the School and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal and state program.

To the Board of Trustees of
Summit Speech School

Our audit does not provide a legal determination of the School's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the School's state programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the School's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, the Uniform Guidance and the New Jersey State Circular 15-08-OMB will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the School's compliance with the requirements of each major state program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, the Uniform Guidance and the New Jersey State Circular 15-08-OMB, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the School's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the School's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance and the New Jersey State Circular 15-08-OMB, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

To the Board of Trustees of
Summit Speech School

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a state program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a state program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and the New Jersey State Circular 15-08-OMB. Accordingly, this report is not suitable for any other purpose.

Our History...

In 1967 two of the most popular songs on the radio were "I'm a Believer" by The Monkees and "All You Need Is Love" by The Beatles. No doubt, 1967 was a great year to open the doors of Summit Speech School! When our doors opened, so too did limitless possibilities for children with hearing loss.

Originally located at 34 Upper Overlook Road Summit, NJ, Summit Speech School moved to our current location, 705 Central Ave in New Providence, NJ in 1994.

Our Approach and Leadership in the Listening and Spoken Language Community

Listening and Spoken Language is an evidenced-based approach to teaching children how to listen and talk. Our program, since it was founded in 1967, has used only this methodology. Results from the Longitudinal Outcomes of Children With Hearing Loss (LOCH) study found that “*communicating through LSL alone resulted in higher outcomes when compared to children who used sign language along with LSL*” (Mission Probable, Hearing First; 2019). **Summit Speech School was the first school in the state of New Jersey to use LSL and we remain the only non-profit in New Jersey to operate a private preschool program exclusively using a Listening and Spoken Language approach...** when families decide to use LSL to teach their child to listen and speak, Summit Speech School provides the pathway to limitless opportunities. As leaders in the LSL community, our professional affiliations include many leading universities, cochlear implant centers and more:

During Fiscal Year 2022-2023, Summit Speech School directly impacted 362 families... from infants/toddlers to adolescents preparing to graduate high school

- 91 Early Intervention Children and Families
- 23 Preschool Students
- 242 Itinerant Students across 66 NJ School Districts

Early Intervention

During the 2022-2023 Fiscal Year, our staff included three full-time Teachers of the Deaf/Hard of Hearing, a full-time interpreter and a part time Teacher of the Deaf and a Speech and Language Pathologist. The cost of *the Early Intervention services we provide is only partially funded by the NJ Department of Health.*

We rely on our supporters to provide the additional funding, nearly \$400,000, to operate our intensive, impactful and life-changing Parent Infant Program.

Early Intervention Financial Data

Early Intervention: Our Dynamic Parent Infant Program

In addition to providing direct services in the homes of the families we serve, we are also proud to host our Parent Infant Program twice a week throughout the year. Infants as young as six months of age and toddlers up to age three come to Summit Speech School and learn how to talk and listen.

Our multidisciplinary model allows for one of our Teachers of the Deaf/Hard of Hearing, Speech and Language Pathologists and an Occupational Therapist to work as a team, directly with our infants and toddlers. Parents/caregivers learn how to model spoken language skills for children. During other sessions, parents receive training while their children work directly with our staff.

The program provides parents with support and they quickly learn that their child's future, just like any other child, is filled with limitless possibilities!

Thanks to our supporters...

our Parent Infant Program Changes Lives!

Parent/Guardian Support and Training

We have more than 50 years of experience working with children with hearing loss and their families. We understand the journey and the challenges that parents and guardians may face along this path. With our expertise, we provide training and support for parents throughout the year. When families attend our program, they join our family and become closely connected with other families on a similar journey.

During the 2022-2023 School year we provided parents and guardians with training in the following areas:

- Emotional Well Being*
- Your Rights in Special Education*
- Hearing Loss and Indian Culture*
- Deaf Mentor Program*
- Stress and Burnout*
- Transition to College*

- Cochlear Implant Design*
- Literacy and Hearing Loss*
- Transition to Preschool*
- Microtia/Atresia Awareness*
- Sports and Hearing Loss*

Preschool: Program Overview

Our 210 day program includes a 30 day extended school year program

Students have daily access to our Educational Audiologist

We are an Approved Private School by the NJ Department of Education

State of the Art Facility: All classrooms and therapy rooms are acoustically treated, have universal access to DM systems and have observation booths with one way access.

Our average class size is 5-7 students

Our staff to student ratio is less than 3:1; staff includes the following:

- 4 Teachers, Dual NJ DOE Certified as a Teacher of the Deaf/Hard of Hearing and Preschool Teacher
- 3.5 Speech and Language Pathologists providing daily speech and language services to every student!
- At least one paraprofessional in each of our 4 classrooms
- All staff receive ongoing training and have expertise in the delivery of Listening and Spoken Language Services
- We have a Full-time Nurse and provide Occupational/Physical Therapy Services

Amazing Impact: 7 out of 7 of our preschool graduates returned to their home school district!

Audiology Services

Our audiology services are critical for the development of listening and language. It is imperative that we ensure every student has access to hearing. When this occurs, we maximize positive outcomes.

Our *professional Audiology Booth* is used to ensure students have access to hearing. Our audiologist uses the booth to check equipment and complete comprehensive evaluations.

Our audiologist works closely with our Teachers of the Deaf and Speech and Language Pathologists. Additionally, she works closely with each child's clinical audiologist.

We also provide support to school districts, complete private evaluations and provide professional development.

Itinerant Services

As strong proponents of inclusive education, during the 2022-2023 school year we provided services to 242 students in 66 NJ School Districts!

Our Teachers of the Deaf understand the neuroscience of hearing and the scaffolds required for a student to increase Listening and Spoken Language competencies. To optimize a student's access to sound, our Teachers of the Deaf work with students and district staff to improve:

- Auditory Attention Detection
- Memory Discrimination
- Auditory Recognition, Sequencing and Comprehension
- Auditory Retrieval and Expressive Communication

As a result, students are able to remain in their home school district and thrive.

Itinerant Financial Data

During the Fiscal Year 2022-2023, our staff included 12 full-time and 3 part-time Teachers of the Deaf/Hard of Hearing. Local school districts contract with Summit Speech School to provide Listening and Spoken Language services in the student's home school district.

We rely on our supporters to provide the additional funding, \$215,920, to serve students in their home school district.
